

Hush Desk Dividers

Hush Desk Dividers

Personal Space. Quiet Focus. Modular Design.

ONNiT Hush Desk Dividers create personal zones within shared spaces—offering privacy, noise reduction, and visual separation without compromising openness. Designed from high-performance acoustic PET felt, Hush supports productivity with style and acoustic clarity.

Key Features

- Acoustic PET felt construction for sound absorption
- Visual privacy in open-plan environments
- Rounded or squared edges available
- Lightweight, durable, and easy to clean
- Works with most standard desks
- Available in multiple heights, widths, and color options
- Custom sizing and branding available

Applications

- Open offices
- Call centers
- Libraries
- Classrooms
- Coworking spaces
- Study pods

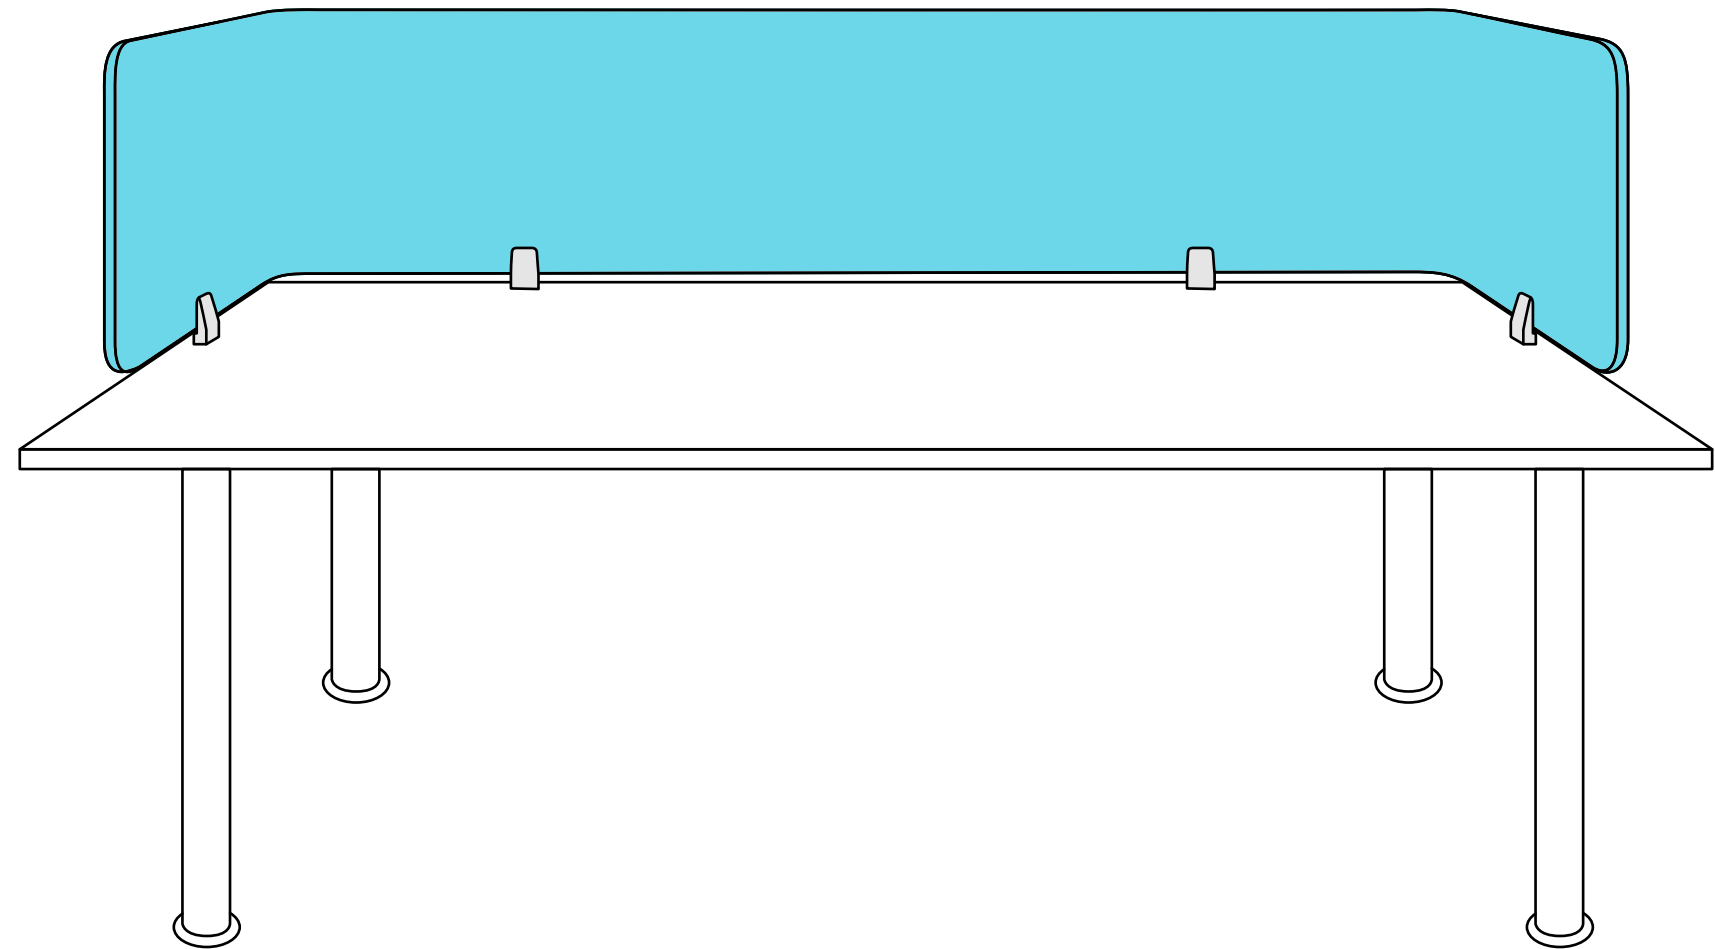

Sizes & Configurations

ATTRIBUTE	DETAIL
Standard Widths	24" up to 72"
Standard Heights	12", 18", or 24"
Thickness	9mm or 18mm
Custom Sizes	Available upon request
Edge Options	Rounded or square corners
Mounting Types	Clamp-on brackets, screw mount or adhesive strips
Material	100% polyester (PET) felt
Recycled Content	75% Recycled Content

Installation & Care

- Easy to install—no tools required for clamp or adhesive options
- Compatible with most desk types
- Clean with mild soap and water or vacuum for dust removal
- Optional removable configurations for flexible workspaces

Finish Options - Color with Character. Form with Purpose.

Choose from ONNiT’s 32 standard PET colors, ranging from subtle neutrals to bold accent hues. Create tonal variations or contrast within a single wall layout to highlight form and texture.
